**2023 SCHOLARSHIP INFORMATION  
FOR HEAVY EQUIPMENT OPERATOR TRAINING AT  
NORTH CENTRAL KANSAS TECHNICAL COLLEGE  
BELOIT, KS**

This scholarship is for \$1000 towards the 9-month training program in Heavy Equipment Operations at the North Central Kansas Technical College in Beloit, Kansas. Upon completion of the program the student will be expected to work for 12 weeks on a paid internship program with Sporer Land Development, Inc. At the end of the internship the recipient can elect to apply for full time employment with the company or seek other employment.

After graduation the scholarship recipient will then be required to work for Sporer Land for 12 weeks after graduation, with a negotiated hourly rate starting at \$18.00/hr. An average work week of 52 hours with overtime paid after 40 hours each week. At the end of 12 weeks continued employment with benefits will be discussed with your Project Superintendent or the recipient can choose to seek other employment.

We will review all scholarship applications and select the finalists for personal interviews based on the materials requested. Sporer Land Development, Inc. is a heavy construction company engaged in highway, flood control, conservation and site grading work. In the business since 1961 Sporer Land Development strives to provide quality, safe and timely job completion. Primarily work is based in Kansas, although projects have been completed in Colorado, Nebraska and Oklahoma. Offices are located in Oakley, Ks. For more information, please contact Derek Elliott, Controller at (785) 672-4319 or derek@sporerland.com.

Completed applications are due into the Guidance Office no later than May 1. The Guidance Office will then forward all applications to Sporer Land Development. The Guidance Office will be notified of the **2023 Scholarship Recipient by May 15.** Once the recipient is named arrangements will be made to pay the scholarship directly to NCKTC prior to the start of the fall semester in August.

For more information on the North Central Kansas Technical College Heavy Equipment Training Program please contact:
